System 4:

Vocal: I come in this bar a song in my hand. I give it to you. Do you un-der-stand?

Guitar: C#m Bm F#m E F#m D.C. until bored then to Coda

There's no pre-ten-sion.
No such pre-ten-sion.
Don't want a-ten-tion.
Just had to men-tion.
No pre-ten-sion

If I say you're pretty.
And you say I'm lonely.
It doesn't help much.
Were prob'ly the only
ones with no pretension.
We don't let it show.
If we need attention.
Let anyone know.

Yet I know this gal
Can't make up her mind.
It doesn't help me.
I'm tryin' to find
a "no such pretension".
That won't want to show
if she needs attention.
So where do I go?

You won't give it up.
You tickle my brain.
I want to succeed.
It all seems in vain.
Is there no pretension?
You're trying to show?
You want some attention?
Or what do I know?

It's me that's the one
with stuff on my mind.
Though I yearn a lot.
Just tryin' to find:
Your no such pretension.
You're not gonna show.
If you need attention.
I'd still like to know?
