Instrumental Intro

A - bout two weeks af - ter I gave up the fight  
Now just this past Thurs - day I sat and drank beer.  
I thought she came o - ver for a ski holi - day.

to stay in a mar - iage that was not all right.  
And Lin - ka came o - ver I missed it was her.  
Now that she is still here, I'd sure like to play.

Came out to a lo - cal. Found beer and a stool.  
She now has a boy friend. So I missed my chance.  
When Lin - ka came o - ver and sang me her song,

The band was all done there. I sang a few tunes.  
When she sang her Chek Song. For sweet Chek Ro - mance.  
if only I had then known. Could it have gone long?

Refrain

She sang me a Chek song She learned as a chide.

Mel - o - dy left her. While I tried to hide.

I'm always so lonely. I come out and mope.
